- Unfortunately, due to lack of funds, the 2016 Fireworks Display was cancelled, however, by combining donations received last year and meeting our fundraising goal this year THE FIREWORKS ARE BACK!
- DEEP requested that we delay the fireworks until July 15th to protect the baby herons and eagles nesting in the area.
- All expenses involved in the production of this show are paid by the generous donations we receive – that is why your donation is essential, without your donation this event wouldn't be possible!

Businesses: This is a great way to say thank you to your customers.

- To make this the best event yet, please donate now and donate generously.
- The day before the fireworks a one-page "Thank You" ad will be featured in the *Rivereast* listing the donor's name by category of giving. If you donate in the name of a loved one, his/her name will also appear alongside yours in the ad.

Categories of Giving are:

- \$50- Sparklers
