

## Community Partners Program Recognition Awards Breakfast Held

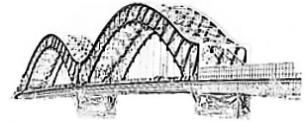

The Economic Development Commission (EDC) held the first Community Partners Program Awards Breakfast on Monday, March 16, 2009 at the Buck-Foreman Community Center. The Community Partners Program was developed and implemented by the EDC in 2008 as a way to recognize the vital contributions Portland businesses make to the many charitable, recreational and educational activities offered in Portland and neighboring communities.

The Community Partners Program has two levels of recognition. The Member Level recognizes businesses for donations of goods or services of up to \$5,000 in value during the previous calendar year. The Gold Member level recognizes business for donations of goods and services in excess of \$5,000 during the previous calendar year. Over one hundred Portland businesses were recognized for contributions to the community and nine businesses were recognized for contributions in excess of \$5,000. Donations included financial contributions to local schools, fundraising programs, and sponsorship of sports teams. Contributions of goods and services included lunch for the Portland High School Band at the 2008 Big E, a lavish Christmas dinner and gifts for needy families and participation by a local plumber in the **ABC Extreme Makeover** home construction in Voluntown, Connecticut.

Recognized Program members received a certificate of recognition as well as a window decal to display at their place of business. The decal is intended to recognize the contributions made by the business and serve as a reminder to customers of the importance of local businesses contributions in the success of community, educational and charitable programs. Portland residents are urged to look for these decals and support our local businesses that so generously support the community.

Businesses that made charitable contributions during the last year but did not complete the application process may do so at anytime during the calendar year and receive a decal recognizing them as a Community Partner. Applications are available at the Portland Town Hall, on line at [www.portland.org](http://www.portland.org), or by calling Mary Dickerson, Economic Development Consultant at 342-7302.

## FARMERS MARKETS OPENING IN JUNE

Two new Farmer's Markets will be coming to Portland on Saturday's beginning in June. The **Tri Town Foods Farmers Market** has been designated as a Farmer's Market by the Connecticut Department of Agriculture. The Market will be held at their 316 Marlborough Street location, in the parking area in front of the store. The **Tritown Foods Farmers Market** will be WIC Certified and feature organic products and locally grown produce from larger scale producers.

The Portland EDC will sponsor a Farmers Market with Mike Elliott, the manager of **Stor-U-Self**, located at 127 Main Street. The **Stor-U-Self Farmers Market** will offer an opportunity for local vendors and growers to offer their products on a smaller scale. Booth space at this market is open to crafters, community groups, and fund raising events as well as vendors selling fresh produce and organic products.
