

Information Regarding Main Street Streetscape Project

To allow for additional comment, Landscape Architect, Stephanie Fuss, will be discussing the Town of Portland's planned 750-foot long streetscape project along Route 66 entitled "Main Street Streetscape" at the Portland Library, 20 Freestone Avenue, Portland, Connecticut on Wednesday, March 4th at 6:30 p.m.

The improvements include new and expanded sidewalks, handicap accessible sidewalk ramps, new curbing, crosswalks, landscaping, signing, street furniture and period lighting. Some temporary rights and easements may be required for this project.

Residents, business owners, commuters, and other interested individuals are encouraged to attend. Additional information may be obtained by contacting Mr. Rick Kelsey, Director of Public Works at (860)342-6733.
