- ◆ Learn how to search for free books from our eBook collection
- ◆ Learn how to check out and put titles on reserve.
- ◆ Learn how to download the titles to your eReader

Bring your eReaders with you for this free hands-on workshop. Max Rowe, Library Connection, will be here to answer all of your questions. Believe us, he can; he's the person we ask when we don't know. Please register for the workshop; contact the Library for more details.
