

November 7, 2011

Hello this is Susan Bransfield First Selectman. I have a few important storm related announcements.

1. CL&P reports almost 100 percent of its customers in town are restored. Of CL&P's 4569 customers in Portland, 4 are without power. We are down to single service restorations in town. People still out should continue to call CL&P daily to ensure that they are on record as out. Everything is being done to restore power to our town as quickly and as safely as possible.

2. Residents are asked to please clear their sidewalks of storm debris so that pedestrians can safely pass.

3. The town will provide brush pickup for storm debris. The transfer station will be open for the remainder of the week including Friday (Veterans Day) from 7:30 AM TO 4:30 PM for your convenience.

Thank you.
