Electric Vehicle Charging Station incentive program started Jan 1<sup>st</sup>. We reviewed the program guidelines as express in a slide show shared with us by Enoch Lenge of Eversource. There are incentives for residential chargers and a description of that program can be found here: <https://www.eversource.com/content/ct-c/residential/save-money-energy/explore-alternatives/electric-vehicles/charging-station-rebates>. Program details for Commercial and Municipal chargers can be found here: <https://www.eversource.com/content/ct-c/business/save-money-energy/explore-alternatives/business-ev-charging>.
