

Please be advised that T.S. Caminito has begun sidewalk reconstruction which will consist of installing new sidewalks in the following sections of Town: East Main Street, Waverly Avenue, Freestone Avenue, Fairview Street as well as areas of Main Street between Fairview Street and William Street.

The hours of construction work will be between 7:00 AM to 4:00 pm. We will aim to keep noise levels to a minimum during these hours.

Please note that while construction is underway there may be extra vehicles and contractors in this street. We apologize in advance for any problems this may cause. As a quick reminder, please use caution and consider worker safety when driving through these areas.

If you require any further information please do not hesitate to contact the Public Works Office at 860-342-6733 and feel free to check out the revitalization project when it's all finished!
